

BrizNet Churches and Ministries in Partnership

The Rationale:

One Church in many locations working together as one.

Our Purpose:

To work together in fulfilling the Great Commission (Matthew 28:18-20) and the Great Commandment (John 13:34-35), by utilizing our differences in strategic partnership to see a healthy city church grow through life-giving local churches.

Our Objectives:

- To pray together
- To grow together
- To win together
- To build together

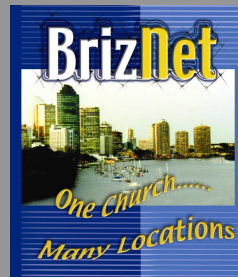

Jesus said,

“I pray also for those, who will believe
in Me...

THAT THEY MAY BE ONE

... that the world may believe that you
sent Me and that you have loved
them”

John 17:20—21

**Together we can make a
difference!**

Building Together

When our team first came together in July 2001, the burning question we asked was, “How do we together reach our city/region, with the Gospel?” Over the next year the BrizNet team began working on this question—the answer was four fold:

1. Together we can pray for every resident in the Greater Brisbane Region and beyond.
2. Together we can bring the Gospel to every resident of the Greater Brisbane Region.
3. Together we can help address and work to eliminate social ills from our community and bring hope, light and restoration to people’s lives.
4. Together we can accomplish much more than we can alone.

Our goals and strategy:

- To pray through our citywide Concerts of Prayer (twice a year); leadership luncheons and Church Prayer Leader’s gatherings,
- To care through our Yes! We Care, ‘Brisbane’s Biggest Neighbourhood Blitz’ (once a year),
- To share through engaging our communities as local congregations in explaining Christianity (at least once a year).

Our Yes! We Care Strategy

BrizNet is looking to mobilize other churches in the Greater Brisbane Region to join ‘**Brisbane’s Biggest Neighbourhood Blitz**’, that will see them bombard the region in one day with acts of service and compassion.

In 2007 our Yes! We Care—Brisbane’s Biggest Neighbourhood Blitz, reached out to 640 households. Like last year’s campaign, we again have the full support of the Lord Mayor Campbell Newman and the Brisbane City Council. This year we plan to reach 1000 homes on 31st May 2008.
